Copy of letter No.L.Dis.27726-51, dated 27-11-51 from the Collector of South Kanara, to the Additional Deputy Secretary to Government, Public (Refugees), Madras.

Sub: Displaced Persons from Pakistan - Loans and advances paid - check up return for the quarter ending 30-6-51 - report submitted.

Ref: Government Memorandum No.1828/51-1, dated 6-10-51.

Sri Choitram Motumal was granted a business loan of Rs.1500/- and Sri Chetandas Bagomal Rs.1000/-. The amount advanced to each of them is not sufficient for purchasing large quotas of cloth and their turn over in business is limited.. Their accounts have been got checked and it is found that the average profit* is hardly sufficient for meeting the incidental charge connected with their business and for the maintenance of the family. They are not also able to save anything for investing any additional sum in business.

2. The Displaced Persons complain that they have to meet heavy transport charges on the supply of cloth made from the wholesale dealers at Madras. They request that the B&C Mills may be requested to supply their quotas through their wholesale distributors at Mangalore. This will reduce the expenses of transport to some extent. I therefore recommend that the B&C Mills may be requested to supply their quotas to all the Displaced persons through the wholesale dealers in Mangalore.

3. The two displaced persons mentioned above are said to be manufacturers of good syrups. They wish to do some side business in syrups and thus augment their income and for this purpose.

P.t.o.

*earned by each of them is about 100/- per month. This profit

want allotment of sugar. I request that I may be permitted to do this in view of the limited income which they now getting.

Action has already been taken w.r.t. para 2 of the Collr's letter. As the existing procedure is beneficial to the dps. in the muffasil who are allotted cloth business, it is proposed to continue the existing arrangement.

The file is in Devi

As regards para 3, it is submitted that Sri. Choitram Motumal has already been granted a licence under Food Products Order to manufacture syrup and for that purpose one bag of sugar per month has also been allotted to him. Regarding Sri. Chetandas Bagomal it is reported that his state of business is satisfactory. In view of this, it does not seem necessary to consider his case for the grant of sugar for syrup business. For orders
